Application for key worker provision – complete and email to postbox@bluecoatfederation.co.uk

- There will be a minimal childcare provision available for children of designated key workers – this is not going to be an educational setting, it will be a safe place for people who are key to combating this virus and keeping the country moving forward;
- In order to qualify for a place you will need to provide evidence of your key post;
- If there is another adult in your household who can look after the children, you should not apply for a childcare place with us.

Please indicate which days and sessions your child would need to be cared for:

Day	Morning (tick)	Afternoon (tick)
Monday		
Tuesday		
Wednesday		
Thursday		
Friday		

If the pattern is going to be irregular please indicate approximately how many sessions out of 20 will be required each week in the box.

Please read this government guidance:

1. If it is at all possible for children to be at home, then they should be.
2. Parents should also do everything they can to ensure children are not mixing socially in a way which can continue to spread the virus. They should observe the same social distancing principles as adults.

I have read and understood the guidance above. I know that care places are limited to where they are most needed. I confirm that there is no one to care for my child/ren at home if I am at work.
