- There will be a minimal childcare provision available for children of designated key workers who are essential to the national effort to combat the COVID 19 virus – this is not going to be an educational setting, it will be a safe place for people who are key to combating this virus and keeping the country moving forward;
- If you are seeking a place in this provision, you must apply using the forms available on the website or through the school offices;
- In order to qualify for a place you will need to provide evidence of your key post;
- If there is another adult in your household who can look after the children, you should not apply for a childcare place with us.

*Your child can not attend unless you have received written confirmation from us that your child has a place in the childcare provision.*
