AUTUMN TERM SUMMARY REPORTS

We have emailed these to all families this week.

The summaries provide an update on your child's progress and achievements in the Autumn Term within these areas:

- Behaviour
- Maths, Reading and Writing attainment
- Attendance

If you have any questions about the information, please contact your child's teaching team. Parents' Evenings later this term will also provide an opportunity to discuss the summaries with your child's teachers.

Maintaining high quality and open communication with you about your child's progress at school has always been important to us and we hope that you find the termly summaries useful.

HAPPY BIRTHDAY BLUE COAT!

This year is the three Walsall Blue Coat Schools' 370th anniversary. The Blue Coat Foundation has been providing educational provision for Walsall children since 1656!

There will be events and activities this year to mark the extraordinary presence the schools have had in the community for hundreds of years. The anniversary celebrations will be a particular focus of the Blue Coat Sunday Service on March 8th and the theme of this year's service and the Blue Coat Exhibition is '**Centuries of Service**'.

The children will be learning about the history of their school and they will have the opportunity to look at historical sources including photographs. Over the next few weeks, the Year 1 and Year 4 classes will be visiting the Walsall Archives at Walsall Library to carry out some research, with Walsall's Archivist, using some of the historical sources stored there.

RECEPTION PEDESTRIAN SAFETY WALKS

We are working with Walsall Council A Stars to provide pedestrian safety training for our Reception children. Detailed information, dates and times have been sent to Reception parents/carers.

For their session, every child will need to be accompanied by an adult from home.

YEAR 5 SCHOOL HEALTH SESSION

On Monday the Year 5 children will be having workshops with School Health. The sessions will focus on ways to keep healthy and maintain well-being. The children will also look at ways they can show care and support for the well-being of others.

PEOPLE WHO HELP US

As part of their work looking at people who help us, the Reception children will be visited by some Police Officers on Monday to talk about their job.

DID YOU ATTEND BLUE COAT AS A CHILD? ARE YOU AN OLD BLUE OR DO YOU KNOW AN OLD BLUE?

Would you be interested in a tour of the secondary school and/or an Old Blues' lunch after the Blue Coat Sunday Service?
