### THE SCHOOL SITES

	If you are visiting at either the Infant or the Junior Schools for an event, assembly or meeting, please make sure your mobile phone is kept in your bag or pocket.
	Parents/Carers or other members of the public are not permitted to take photographs or make video recordings of presentations, events or assemblies on the schools' sites. <i>(At the end of Celebration Assemblies there is an opportunity for you to take a photograph of your child with their work).</i>

*It is important that these expectations are followed by everyone to ensure that all parents/carers can feel reassured that there are no images of their children at risk of being used in a way that they do not want or that puts any child at risk of harm.*

*Thank you for your support of our policy to keep the Blue Coat children and community safe.*
