

Listen and Respond

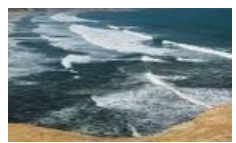

You will listen to and talk about nursery rhymes and songs. You will listen to and talk about the songs below. Can you find the pulse in lots of different ways?

Lovely Day by Bill Withers

Beyond the Sea sung by Robbie Williams

Mars from The Planets by Gustav Holst

Frogs Legs and Dragons Teeth by Bellowhead

Ain't No Mountain High Enough by Marvin Gaye and Tammi Terrell

Singing in the Rain sung by Gene Kelly

Our World

Explore and Create

Find the pulse!

- Find the pulse in ways you have done before
- What animal can you be finding the pulse?
- Can you find the pulse in fun and different ways?

Rhythm Games

- Say words and phrases related to the world as you clap them e.g. weather, space, seasons, animals
- Can you find your own word and clap the rhythm for the class to copy?

Pitch (high and low games)

- Use the games track to explore pitch, using your own ideas and ideas from previous units

Create your own sounds with instruments

- Play a note with the pulse
- Change the rhythm pattern a little
- Record your ideas and watch them back. Have fun!
- Can you make up your own rhythm or melody?

Learn to sing and sometimes play with the song

- Sing and make up actions to the song
- Play your glockenspiel with the song

Have fun experimenting and expressing your ideas with percussion instruments. Talk about the sounds.

Do you know what all the key words mean?

Which song do you like the best? What story do the songs tell?

Talk about what the songs make you think and feel?

Can you hold your instrument correctly?

Can you talk about what you can hear?

Share and Perform

Share what you have learnt and record some of the activities. Sing the song with Kim and Chris, or with the backing track. Play instruments with the song.
