Type your child's login details here.

Click 'Login'

## Accessing '2Dos' on Purple Mash

When you have logged in, click on the red icon.

This is where the teacher will set the tasks for your child.

This is a task set by a teacher. The teacher will give a description of what to do.

Click here to start the task.

When you have completed the task, it will be 'handed in' to your child's teacher. They can then give feedback or comment on the task completed.
