

Walsall to Kenya: Us and our neighbour

Word	Meaning
compass	A compass gives directions. The main directions are North, South, East and West..
location	The place where something is
locate	To find out where something or somewhere is
vegetation	Plants trees and flowers
globe	A ball shaped object with a map of the world on it to represent the earth
environment	The things that are all around us
characteristic	A distinguishing quality, attribute or trait
satellite	Satellites are objects in space. Some of them take photos of the earth. The photographs are called satellite images
Kenya	A country in East Africa with a population of 50 million people. The capital city is Nairobi.

FUN FACT: Nairobi is the capital city of Kenya. It is over 6000 miles from Walsall. It would take a week to drive there!

Learning Outcomes

- Understand geographical similarities and differences through studying the human and physical geography of a small area of the UK and of a small area in a contrasting non-European country
- Use basic geographical vocabulary to refer to: Physical features (beach, cliff, coast, forest, sea, ocean, river, season, weather) Human features—city, town, village, factory, farm, house, office, road, shop, port, harbour
- Use world maps, atlases and globes to identify countries, continents and oceans
- Use simple compass directions and use locational language to describe the location of features and routes on a map.
- Use simple fieldwork and observational skills to study the geography of school and grounds and the key human and physical features of its surrounding
- Express views on the environment of a locality
- Draw and make simple maps

Notable People: Wangari Maathai

Wangari Maathai was the first African Woman to win the Nobel Prize. She founded the Green Belt Movement in Kenya which saw women planting thousands of trees.
